2021 Aug - Dec

Paragon Digital Services KARNATAKA, BANGLORE
Sr.Graphic Designer

As 4 month contract basis working for AMAZON organization. responsible for doing the web banners, mockups, online shopping designs etc.

2019 May - April

AMBASSADOR ORGANIZATION UAE, SHARJAH
Sr.Graphic Designer

As a part of the design team responsible for delivere outstanding designs for school programs and social medias. Handling all designs areas of organization schools (3 schools).

2018 Sep - May

THE LAZAR GROUP OF SCHOOLS UAE, AJMAN
Jr.Graphic Designer

Responsible for designing the all designs of the organization. Two schools designs and one maintenance company.

With over 7+ years of experience in the design field, working on various projects and handling different design elements such as posters, visiting cards, flyers, booklets, and social media posts, I have gained valuable skills and expertise. Transitioning into UI/UX design and having experience with tools like Figma and Adobe XD can open up exciting opportunities for me.

UI/UX design focuses on creating intuitive and user-friendly experiences for digital products. It involves understanding user needs, conducting research, creating wireframes and prototypes, and working closely with developers to bring designs to life.
